

FILTER CANISTERS FOR FULL FACE RESPIRATORS

INDUSTRIAL RESPIRATORY PROTECTION

SHALON 
CHEMICAL INDUSTRIES LTD.

THE HOME FOR HOMELAND SECURITY

FILTER CANISTERS FOR FULL FACE RESPIRATORS

Shalon Chemical Industries manufactures a wide range of filter canisters protecting from toxic industrial chemicals in the form of gases, vapors and particles. These canisters are supplied with Shalon's full face respirators.

The canisters are supplied in one of the types or combinations of them. The canisters are classified in term of their capacity. Shalon manufactures both Class 1 - low capacity and Class 2 - medium capacity in any combination type, except for type P - which is supplied in Class 3 - high capacity.

EN-141&143 Approved Canisters

Canister Type	Hazardous Substances
A	Organic Gases and Vapors.
B	Inorganic Gases and Vapors.
E	Sulfur Dioxide.
K	Ammonia, Organic Ammonia Derivatives.
P	Aerosol particles (HEPA).
